From June to September, take part in sailing courses for adults at the Marina of Portopiccino. The courses will take place on drift boats such as the Bahia laser, laser 4.7, Standard, Bug laser. A separate course for adults takes place on a cabin cruiser type boat, but the drift-boat is the real school boat. You need to try it to believe it! Individual and group courses are based on the level and needs of each participant, all courses are subject to weather conditions.

From June to September from 9.00 to 17.00, from Monday to Friday, take part in sailing and windsurfing courses for children aged 6 to 16. The course is multidisciplinary: sailing and windsurfing, it promotes personal and motor development and stimulates individual abilities of young people. The activity takes place on Laser Bug boats, Ego 333, Laser 4.7, Laser Bahia and Windsurf. If there is no wind canoeing, SUP and other water games will be available, the children will have fun discovering all the different aspects and potential of these alternative water-sports.

in partnership with

Sailing school for blind people

WHO IS IT FOR?

blind and visually impaired children and adults

WHEN
